

Saint-Petersburg State University

TEMPUS Master Programme in Neuroscience 2005-2008

- Faculty of Biology Department of Higher Nervous Activity and Psychophysiology
- Faculty of Biology Department of Physiology
- Faculty of Biology Department of Embryology
- Faculty of Biology Department of Genetics
- Faculty of Philology Department of General Linguistics
- RAN Institutes

The graphic features a blue background with a grid layout. In the top left is the Saint-Petersburg State University logo. To its right is the title 'Master's Programme in Neuroscience: 'From Neuron to Cognition''. Below the title are three small images: a red neuron, a green neuron, and a brain scan. At the bottom left is a photograph of a woman in a lab setting working with a brain model. On the right side, the text 'Three specializations:' is followed by a list: '- Cellular neuroscience', '- Cognitive neuroscience', and '- Computational neuroscience'. At the bottom right is the Saint-Petersburg State University name and logo.

Dr. Alexandrov A., Prof.

Postgraduate Training Network in Biotechnology of Neurosciences (BioN)

- January, 15th 2010 – January 14th 2013
