---

# IHNA in BioN

- Co-organizer in

School “Neurogenetics. Unraveling behavior and brain mechanisms using modern technologies”. 20-25 of August, Zvenigorod

<http://school4.neurobiotech.ru/>

---

# Statistics:

## Students from IHNA:

- 16 students participated in different BioN activities (schools and modular courses )
- 2 PhD students – 2 months of practice in EU (UmU, HU)
- New courses for BioN Curriculum
